# Dedication

We, the Senior Class of 1956, proudly dedicate our yearbook to Mr. Francis O. Lamberson. Mr. Lamberson's hard work and wonderful personality have made him one of the truly great teachers of Midland High School. He has been teaching in our school for nearly twenty-five years.

Mr. Lamberson was born in Climer, Pennsylvania. After graduating from high school, he attended Indiana State Teachers College, where he earned three letters for participating in sports. He also attended the University of Pittsburgh, Columbia University, and Duke University. He has received his Bachelor of Science degree and his Master of Arts. Mr. Lamberson has been in charge of the Golf Club for the past nine years.

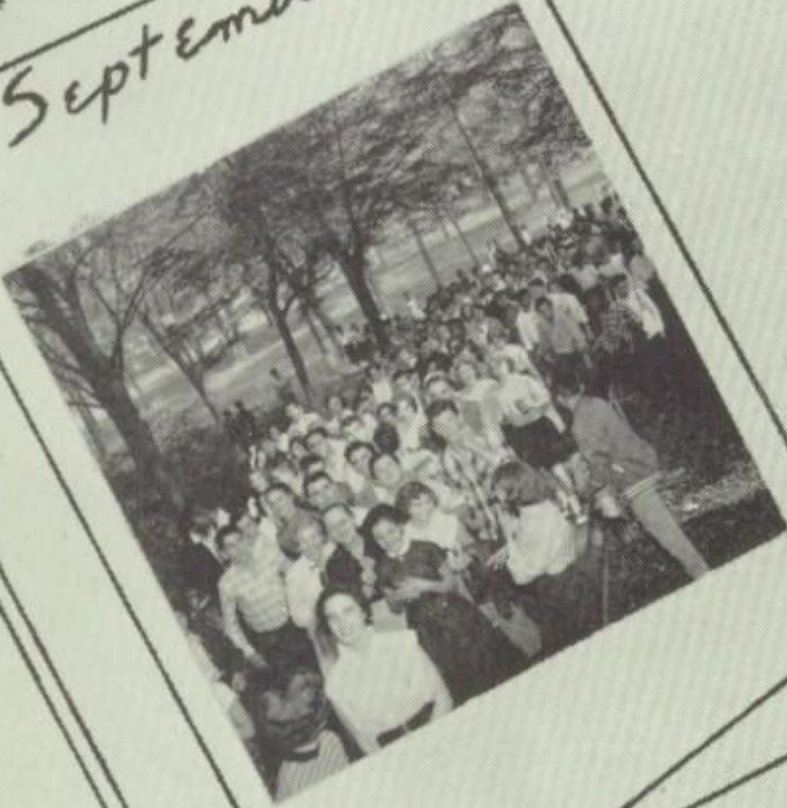

In some small way, we would like to express our recognition which he so justly deserves; therefore we dedicate this yearbook to Mr. Francis O. Lamberson with our deepest and sincerest gratitude for the years of service given Lincoln High School.

DR. RALPH H. JEWELL

DIRECTORS (clockwise)—J. Kane, A. Rogers, R. Presutti, F. Gibson, S. Rosatone, J. Morrison, J. Haggerty, F. Suffoletta (Solicitor).

Superintendent of Midland Public Schools, Dr. Ralph H. Jewell, came to Lincoln High School in 1935; then in 1942 he became the Superintendent of Public Schools in Midland.

Dr. Jewell received his B. S. in Education at Pennsylvania State University, his Master in Education at the University of Pittsburgh, and last year he received his Doctor's Degree at the University of Pittsburgh.

Dr. Jewell is highly recognized and respected not only in the fields of education, but also in many of the county's civic organizations.

MISS BERNICE COFFIN

Miss Bernice Coffin, secretary to both the Superintendent of Schools and to the School Board, has been a part of Midland High School since 1943. She is very efficient, pleasant, and always willing to help when called upon to do so.

*Bernice Coffin*

The School Board is an important part of the community. It governs the operations of the public school system of Midland.

Our board gives unstintingly of its time in serving the taxpayers well and providing the best facilities for our school.

MR. WILBUR DERSHIMER

MRS. ANTONETTE SHUTEY

Mrs. Antonette Shutey, formerly Miss Cellini, is our efficient secretary to the principal. Mrs. Shutey was graduated from Midland High School in 1946. For approximately four years Mrs. Shutey served as office clerk for the superintendent. She began working for the principal in March of this year, and during this short period of time has proved herself to be an ideal secretary.

Mrs. Shutey is an outstanding favorite of the students, and as a secretary has been unsurpassable in her duties.

MISS HELEN DISDORE

Miss Disdore, petite, quiet, efficient and responsible for all school supplies; often decries "that long, long walk down to the stockroom."

Mr. Dershimmer, the Principal of Lincoln High School since April 1, 1952, has been one of our helpful guides from our eighth grade days. We wish to thank him for all of his kindnesses, and for the cooperation he has shown our class. In return Mr. Dershimmer wishes to say to the class of 1956:

"To the Class of 1956, I extend my congratulations and best wishes.

"Many happy and profitable experiences have resulted from your years in our school. It has been a pleasure to work with you and to assist you in attaining your goal.

"I trust you will find success and happiness in your future endeavors."

*Wilbur Dershimmer*

*Helen Disdore*

### Mr. Stowitzky—

Mr. Raymond Stowitzky is Midland High School's new guidance director. He replaced Mr. James Heckler.

Mr. Stowitzky has been very cooperative in helping our seniors choose the right school for furthering their education. He has also been helpful in assisting the underclassmen in selecting their courses.

Mr. Stowitzky is also the sponsor of the Student Council, and under his sure guidance they have accomplished much.

*Ray Stowitzky*

### Mrs. Glumac—

Mrs. Margaret Glumac is our very efficient school nurse. She can usually be found in the nurse's office fixing someone's ailments. Her pretty face makes the pain much easier to bear.

Every day she makes her rounds to each school to see that all of the students are well. Without her our school would not be able to run quite so smoothly.

*Margaret Glumac*

### Mr. Thorne—

Mr. Howard Thorne is our Audio-Visual Aid Director. Without him and his crew our school would not have the opportunity of seeing movies and slides, hearing recordings, and making tape recordings.

He is also the track coach and can always be identified at the meets by his crazy hats.

## SENIOR HIGH STUDENT COUNCIL

With Harry Blair as our fine Senior High Student Council president, we have had one of our finest Student Councils ever to be elected by our Student Body.

This organization sponsors Student Day and it supervises the refreshment stand at basketball games and the concession stand at football games. Also during football season they sponsor the annual bonfire.

The Student Council is composed of the presidents of each homeroom and the class presidents.

## JUNIOR HIGH STUDENT COUNCIL

The Junior High Student Council, under the direction of Mr. Stowitzky and Harry Blair, is one of the highest organizations of our Junior High.

This is only their fourth year and they have learned quickly and run their council very smoothly. The young council is taught how to conduct meetings in order to learn what is in store for them.

They are elected in the same manner in which the Senior Council is.

### CLASS HISTORY

In September, 1952, some 200 timid and submissive boys and girls entered Lincoln High School. We were the "greenhorns," the unimportant freshmen.

As sophomores we were introduced to the Senior High. We proved ourselves as eager beavers by looking ahead to our junior year, and we began raising funds for the prom by selling Easter eggs and novelties.

It was during our junior year that we really became active members of Lincoln High School. After weeks of preparation—The Junior Prom! How can we ever forget "Tropical Paradise" and all the sly glances exchanged as our favorite beau hesitantly took our hand in the grand march.

But at last, the year we have been waiting long for—the senior year—has arrived. Too late we stopped and realized, it was all over: the posts on patrol, our Senior Dance—"Winter Fantasy"—where we all had a wonderful time with the smooth music and beautiful decorations which turned our Senior Dance into one that we will never forget. Then came Class Day, Baccalaureate, our Senior Banquet, and finally Commencement. How could we ever forget our wonderful and prosperous days at Lincoln High School?

Everyone has noticed at one time or another the Patrols, who are the policemen of our high school. They are the senior boys and girls selected by the teachers to keep order in the halls. The Patrols are divided into two groups, which alternate each semester. They are posted outside of almost every room in the school to keep the traffic going the right way and to assist new students in finding their rooms.

We are indeed grateful to our efficient Patrols, for without them the school would be a constant jumble and confusion.

The name See-Fi-S was formed from the club's objective, "To See, To Find, To Share." The club was organized in 1944 and is now under the fine leadership of Miss Wagner. It is a club that tries to grant service to the school, home, church, and the community. The purpose is "To create and maintain high standards of Christian living."

One of the services extended to the school each year is the Teen-Talks presented by members of the club to the Junior High School. In these talks the girls try to express to the students the matters of good conduct and the personality of each student and how to better them. Another service is the Easter program which is presented to the school. It is a religious and interesting ceremony presented by members of the club.

The club was also active this year in sending the district executive, Mr. Traugh, to a conference in Paris, France.

The girls are to be commended for their generous and worthwhile efforts, and the girls who are graduating hope that next year the new members will also have a successful See-Fi-S Club.

# NOVEMBER

*We Begin To Experience Unforgettable Events*

On Friday, November 18, 1955, in a setting of "Winter Fantasy," the Class of 1956 danced to the smooth music of Eddie Frazier and his orchestra. The theme was carried out by using a two-tone blue, and it truly transformed the gym into a real fantasy.

Mike Balco and his lovely date led the grand march. At ten o'clock the Sophomore Tri-Hi-Y girls, who were dressed as skaters, served refreshments.

We will never forget our fun at the Senior Dance.

After eating, we were entertained by Bubber Johnson, Eileen Rogers and the Turbans. At five o'clock we returned to our homes, but we will never forget that wonderful evening.

## THE NUTT FAMILY

This was a fast-moving farce that took place at Crestdale, a large summer home near an eastern mountain resort. Crestdale was formerly used as a sanitarium for people who suffered nervous ailments. The owner of Crestdale decided to sell it and she let the Nutt family try it out for a short time. No sooner than the Nutts are settled, some of Dr. See's, the former owner, patients arrive and soon the battle of wits begins. Larry Smart falls in love with Ima Nutt. He manages to get himself in loads of trouble and in order to stay near the one he loves, he pretends to be a nut. Engaged to a girl he has never seen and trying to escape her, he is confronted with a girl who claims to be his wife, and has fallen in love with a girl whom he has reason to believe is a patient at a sanitarium.

Looking Forward To A New Year

# Basketball

Mr. Hamilton and Mr. Fielding put out another good team with only two lettermen from last year. The Midland Leopards came through with one of their finest seasons. They were led by seven seniors—Bob Zak, Jim Cerasi, Ivan Tonic, Tom Lepsic, George Yute, Linn Hough, and Jerry Murawski. There were three juniors and seven sophomores on the team also. The first string consisted of Bob Zak, Jim Cerasi, Ivan Tonic, Tom Lepsic, and Richard Quiring.

Bob Zak and Jim Cerasi were selected as Co-captains for the season. The success of the team was due to the fact that Mr. Hamilton and Mr. Fielding made defensive ball players out of the first six. A good distribution of scoring was also a big factor in determining our wins. Every one of the first five was offensive and a threat to their opponents.

## VARSITY

During this season our Varsity Cheerleaders have done their best to help our fighting Leopards bring home a victory. They have held most of the dances, and tried hard to make this year successful. In the future we hope that the student body co-operates with the cheerleaders as much as they have this year. The captain for the football season was Annette DiRenzo, and the Basketball Captains are Elizabeth Lovejoy and Louise Gypalo, who are all seniors.

Row 2—Miss Cunningham, C. Reed, J. Kuklich, M. Cvetovich, J. Forrester.

## RESERVE

The Reserve Cheerleaders have done a great job this year. They are working right along with the Varsity Cheerleaders helping them in many ways. Patty Prodonovich, captain, has tried to make this year's squad very successful.

Row 2—C. Loncar, Miss Presutti, P. Prodonovich.

## HONOR SOCIETY

The National Honor Society is one of the finest organizations in our school. It is made up of a select group of juniors and seniors. Each member must have the qualities of character, scholarship, leadership, and service.

The symbol of the society is a glowing torch with the letters C. S. L. S. inscribed on it.

Projects carried out during the year were the faculty tea, basketball programs, and keeping the honor roll in the main hall up to date.

Membership in the N. H. S. is one of the highest honors paid to a student and should be the goal of all students.

The Midland High School Varsity Marching Band is composed of approximately 107 members and is under the capable direction of Mr. Charles P. Henderson.

The band has gained fame throughout Western Pennsylvania for its precision marching and its excellent music. Wherever the band has made an appearance it has been received with great enthusiasm. Last summer the band participated in the "Band Festival" at Kennywood Park, and in September the band made a big hit at the Parade of Bands held at Mount Lebanon.

The demand for the use of the band is so extensive that it keeps this group of students constantly busy.

The president of the Student Council becomes the Superintendent; the president of the Senior Class becomes the Principal, and their secretaries are chosen from the senior office practice girls.

## JUNIOR-SENIOR PROM

The juniors of Lincoln High School were hosts to the seniors in a setting of "Tropical Paradise" for the annual Junior-Senior Prom, held on April 22, 1955. The beautiful decorations of purple and white truly transformed the gym into a paradise. They danced to the smooth music of Bobby Vinton until twelve o'clock.

## POST JUNIOR-SENIOR PROM

At one o'clock we descended to the C. I. O. social rooms and were entertained by Wally Rand, the master of ceremonies; the Four Larks, the Glamazons, and then we danced to the music of Barron Elliot's Orchestra. At three o'clock we had a dinner of breaded chicken, french fries, cookies, ice cream and pop, milk and coffee. After this, we went back upstairs and danced. At five o'clock the wonderful paradise was broken as we danced to the last number.
